Dear Parents and Carers,

Thank you to all those families who have made me feel so welcome in the first three weeks at Holy Trinity. The children are settling in brilliantly into their new classes and I have already had several children come to see me for their positive attitudes in school!

### Wrap Around Care

Please make sure you complete the survey next week with regards to wrap-around care. I am interested to see the demand for this as we start the new academic year.

### International Links

I am excited to tell you that we have had confirmation about new links with a primary school in France. This will include the opportunity for households to host UKS2 (Year 5 / 6) children in June. Further information will follow in subsequent newsletters. Furthermore, we will also be able to interact virtually with a primary school in China which will be a great opportunity to find out about language and culture in countries around the world.

### Macmillan Coffee Morning

Thank you to everyone who came along to help raise money for this worthy cause. It was lovely to meet more of you in person and put faces to more children and families.
