Dear Parents and Carers,

Over the last two weeks we have welcomed our new families into Holy Trinity as they embark on the Stay and Play sessions in the reception classroom. They seem to have taken their first steps into the school with ease and confidence and big smiles. I always feel excited at this time of year about our newcomers and all the possibilities ahead of them.

Thank you to everyone who supported the children at Sports Day. Despite it being a sweltering hot day, the children did their best and showed great sportsmanship. Year 6 were incredible role models helping the younger ones in their races and round robin events. I'd like to thank Mr Wiskin and Noah Raven for organising the day and getting the children ready and Mr Dale for helping the team to get the site ready. Hopefully you liked the introduction of the family picnic - please let me know. Next year we will have two brand new sun sails (funded by a grant put through by our own PTFA) to help with occasions as hot as Wednesday.

There is still so much to come this term so please keep referring to the Piota app and we look forward to seeing you at the PTFA summer fete on Saturday. The money raised will go towards all sorts of things for the school such as trip subsidies, playground resources and enrichment events. Your support really does make a big difference! Have a lovely weekend.

Our artwork exhibited in Chelmsford Cathedral

A few days ago, I was pleased to hear that our Oxfam banner on global citizenship and climate justice arrived safely at Oxfam House in Oxford. Representatives there reflected on the fact that schools are important spaces where young people should be able to raise their concerns about the climate crisis and work together with adults to find solutions. The banners have now been transferred to Oxford, at the Glastonbury music festival site. If you know of anyone who is going along, ask them to look out for our banner! You can see details on Twitter/X at @oxfameducation.
