Dear Parents and Carers,

What a fantastic end to the year it's shaping up to be! End-of-year reports went out last week - sent home with the children. If you didn't get yours, please contact the office. We couldn't be more pleased with the progress the children have made across the school. It's been a year full of learning, creativity, and growth - and we're so proud of all our pupils. Still to come is the Year 6 Leavers' Assembly, BBQ and party.

I am incredibly proud of our recent SATs results this year, which reflects the hard work and dedication of both our pupils and staff. 10% of the class did not sit the tests so if you factor this in, you will see how successful the school has been in helping Year 6 achieve so well. A few children were a mark off achieving the expected standard in reading which is why we were just short of national figures in reading. All but one set of results were at or above national standards, with our grammar, punctuation and spelling outcomes being significantly above. This is a fantastic achievement - well done to everyone involved!

- Holy Trinity: SPAG 87% (+14% above National)
- Holy Trinity: Maths 80% (+6% National)
- Holy Trinity: Writing 73% +1% National)
- Holy Trinity: Science 90% (+8% National)
- Holy Trinity: Reading 67% (National Standard 75%)

We are very much looking forward to welcoming our new Reception class, Star Class, as they begin their exciting learning journey with us this September. It will be a joy to see them take their very first steps into school life, and we can't wait to get to know each and every one of them. At the same time, we bid a fond farewell to our wonderful Year 6 pupils. We wish them all the very best as they move on to the next chapter of their school journey. We are incredibly proud of each pupil and all that they have achieved during their time with us - whether those accomplishments were big or small, they have all mattered and made a difference. On behalf of my fantastic team, I would like to thank you for your continued support throughout the year and wish you a safe, happy, and restful summer holiday. We hope you enjoy the next six weeks and look forward to seeing you again in September, refreshed and ready for a new school year

Kind regards,

S. Rowe

The PTFA would like to thank everyone for their help and support over the past year. We have been able to fund several smaller projects, as well as the courtyard garden, which should be ready by September. The children will be able to use this space to relax and unwind in a peaceful, secure environment when needed.

We hope the children enjoyed the discos, fetes, World Book Day visitors, the Easter Bunny, and Father Christmas giving out gifts - it's been a busy and successful year!

We are holding our AGM on **Monday, 22nd September at 7pm**, and we would love to see you there. We need some fresh ideas to help fund even bigger and better projects!

We wish you all a happy and relaxing summer holiday.
A special thank you to our Year 6s for all their help running Enterprise and supporting the summer fete. We're sad to say goodbye, but after your amazing SATs results, we know you'll be brilliant Year 7s and will continue to make us proud.

Year 1 had a fantastic time on their trip to Brightlingsea. The children spent the day paddling in the water, digging trenches and building castles. We had a lovely picnic followed by a delicious ice cream. The children all demonstrated exemplary behaviour while on the trip and we are very proud of them all.

ASTONISHING ARTWORK

After 10 weeks of hard work and lots of fun at Art Club, Mrs Kemp and the artists were so proud to show off their fabulous creations at our summer Art Gallery. The whole school and friends and family of Holy Trinity were invited to take in the atmosphere of the wonderful art, sculpture and even some Batik. We would like to thank everyone who came and all the artists that made it such a successful event.

Take on the Challenge!

- Go to your library this summer to sign up and get your **Story Garden sticker booklet**...
- Read **ANYTHING** you like
- Collect **stickers** from your library and add them to the magical garden as you read more
- You can also earn stickers by **writing a book review, creating artwork** or coming along to a special **Story Garden event**

Story Garden – Adventures in Nature and the Great Outdoors - is coming to a library near you this summer!

This year's Summer Reading Challenge will inspire children to tap into the world of imagination and reading, exploring the magical connection between storytelling and nature.

Children will join our wonderful characters, created by the brilliant children's illustrator Dapo Adeola, whose stunning illustrations bring the Story Garden theme to life; creating an enchanted world where children can find magical creatures, plants and flowers to inspire their next reading adventure.

The challenge runs **from Saturday 19 July to Saturday 6 September** in all Essex libraries and mobile libraries. There will also be a special early joiners' day on **Saturday 12 July**.

There are six stickers for children to collect over the summer. They earn them by telling us about the books they have read, writing us a book review, creating a piece of art inspired by their book or attending a library event. After collecting six stickers, they earn their certificate and medal.

Children can read any library book of their choice; fiction, non-fiction, picture books or books they share with parents and carers – they all count.

Children under four are not forgotten, with a special version of Story Garden just for them.

Autism central is here to help!

Sometimes talking to people who share similar experiences to yours means you're more likely to feel understood and get the support you need.

The Autism Central Peer Education Programme is for parents, carers and Personal Assistants of autistic people of any age. They do not need a diagnosis to access the service. Support is provided by parents and carers of autistic people who are happy to share their knowledge and experience with others.

What we can offer:

- A constantly growing range of information and resources is available on the Autism Central website www.autismcentral.org.uk
- Weekly online groups sessions - drop-ins and themed sessions covering a range of topics
- 1:1 support via a telephone or Teams call. This can be requested via the QR code below
