Dear Parents and Carers,

I hope this letter finds you well. As we reach the midpoint of the term, I would like to take a moment to express my gratitude for your adaptability regarding the various issues that have arisen around the paths near the school site. I assure you that while these matters have not been entirely within our control, we are committed to addressing them promptly as they occur.

I would like to remind you about the online safety training session taking place this evening at 8 p.m. This is an invaluable opportunity to gain important tips and guidance on ensuring your children are safe while navigating the online world. Your participation would surely enhance the safety measures we strive to cultivate within our school community.

This week, we will be honouring Black History Month with a special focus on writing poetry inspired by notable black authors and poets. I am excited to see how the children express their thoughts and creativity through this medium and look forward to sharing some of their work with you in due course.

As the weather begins to change and outdoor play opportunities become more limited, we are seeking sturdy toys for outdoor use. If you have large-scale vehicles or car and train tracks that are free from sharp edges, or wet play board games complete with all pieces, we would greatly appreciate your donation. Additionally, if you have any baking equipment, such as baking trays, digital scales, or manual utensils that you no longer require, these would be welcomed as well.

Warm regards,

S. Rowe

Summary of Itinerary for Wellbeing Week in School

We are excited to announce our forthcoming Wellbeing Week, designed to enrich the minds and spirits of both pupils and adults alike. Our engaging itinerary is packed with a diverse range of workshops and talks aimed at promoting mental health and overall well-being.

Tuesday will kick off with a vibrant Feeling Good Through Latin and Dance Showcase, where students will celebrate movement and rhythm while fostering a sense of community.

On Wednesday, we are honoured to host the Magic Lantern Art Workshops. This initiative allows participants to explore their creativity, emphasising wellbeing through artistic expression.

Additionally, our Mini Mindfulness Workshops will provide pupils with practical techniques to cultivate mindfulness and reduce stress.

Thursday brings a significant opportunity for adults, as Mind, a leading mental health charity, will deliver an enlightening talk after school. This discussion aims to equip our community with the necessary tools for understanding and supporting mental health.

Concluding the week, Friday will be Hello Yellow Day, an optional non-uniform day encouraging children to wear yellow in support of mental health awareness. Throughout the day, KidsInspire will lead assemblies centred around wellbeing, ensuring our school community leaves feeling uplifted and inspired.

We look forward to a joyful week that proves beneficial for all!

ATTENDANCE MATTERS

Data does not include pupils on part-time timetables.

Essex national average for attendance is 94.8% and schools are expected to be at or above this figure. Well done to **Star, Apollo, Zodiac and Supernova Class** who have data above this threshold. In every class a child will be given a certificate for high attendance rates and for improving attendance. Please support us in improving Holy Trinity attendance rates where possible.

All the children today took part in online sessions with The 2 Johns about online safety. They shared really up-to-date information and safety advice about the online world which we hope they will share with you. It was well worth signing up to!

WORSHIP THEME

Resilience

We have troubles all around us, but we are not defeated. We do not know what to do, but we do not give up. We are persecuted, but God does not leave us. We are hurt sometimes, but we are not destroyed.
