

Enriching Every Child’s Educational Journey

12.06.2026

Dear Parents and Carers,

At our school, we believe that education extends far beyond the classroom. Alongside our ambitious curriculum, we are proud to offer a rich and varied enrichment programme designed to broaden horizons, inspire curiosity and help every child discover new interests, talents and aspirations. Our commitment is that every pupil will take part in a carefully planned programme of 25 meaningful experiences during their time with us. These experiences have been thoughtfully chosen to ensure children benefit from a wide range of opportunities across the arts, sport, leadership, service, heritage, culture and the wider world.

What makes this programme particularly special is that it combines both our curriculum offer and our extensive extracurricular provision. Whether through educational visits, performances, sporting events, community projects, leadership opportunities, cultural experiences or encounters with people and places beyond their immediate environment, every child is guaranteed access to all 25 experiences regardless of their background or circumstances.

These opportunities are not simply memorable moments; they play a vital role in developing confidence, resilience, creativity and character. They help children build a sense of belonging within their local community while also developing an understanding of the wider world. Through these experiences, our pupils learn to value diversity, embrace new challenges and develop the knowledge and skills needed to become informed, compassionate and ambitious citizens.

We are incredibly proud of the breadth of opportunities available to our children and remain committed to ensuring that every pupil leaves our school with a wealth of experiences, lasting memories and a lifelong love of learning.

Warm regards,

S. Rowe

Mission Statement for Enrichment

Our mission is to provide every child with a rich programme of 25 creative, community, cultural and wider world experiences that inspire curiosity, broaden horizons and develop confidence. Through meaningful opportunities in the arts, sport, leadership, service, heritage and global awareness, we aim to nurture well-rounded individuals who value diversity, creativity and social responsibility. These experiences are designed to strengthen character, encourage resilience and foster a lifelong love of learning beyond the classroom. By connecting pupils with their local community and the wider world, we empower them to become compassionate, informed and ambitious citizens who are prepared to contribute positively to society and thrive in an ever-changing global future.

Poor timekeeping means less chance of success!

Essex national average for attendance is 95.3% and schools are expected to be at or above this figure. Well done to **Star Class** and **Apollo Class** who have data above this threshold this week. In every class a child will be given a certificate for high attendance rates and for improving attendance. Please support us in improving Holy Trinity attendance rates where possible.

Data does not include pupils on part-time timetables or children under 5.
