Dear Parents and Carers,

As we come to the end of another busy and rewarding academic year, I would like to thank our wonderful pupils, families, staff, governors and wider community for making Holy Trinity such a special place to learn and grow. The final few weeks have been full of exciting events, memorable experiences and wonderful achievements, giving us so much to celebrate together.

One of the highlights of the year has undoubtedly been the outstanding achievements of our Year 6 pupils. We are absolutely delighted with this year's Key Stage 2 SATs results, which continue our upward trend and once again place the school above national averages in every tested subject. Our pupils achieved **82% in Mathematics (national 75%), 79% in Reading (national 75%), 75% in Grammar, Punctuation and Spelling (national 74%), 75% in Writing, (national 73%) 93% in Science (national 82%)** , and **64% achieved the Expected Standard in Reading, Writing and Mathematics combined (national 63%)**. These results reflect the dedication and hard work of our pupils, the expertise and commitment of our staff, and the fantastic support we receive from parents. Our success has not been limited to Year 6.

We are equally proud that our **Reception children achieved excellent Early Years outcomes, our Year 1 Phonics Screening Check reached an impressive 93%, and our Year 4 Multiplication Tables Check results showed significant improvement while remaining above national averages**. These outcomes demonstrate the strength of teaching and learning throughout our school. It is also important to recognise that not every child sits the statutory assessments, making these achievements even more pleasing.

This has also been an exceptional year beyond the classroom. We have been incredibly proud to receive national recognition for our work in the arts, music, environmental education and global citizenship. Achievements including our **Highly Commended National Society for Education in Art and Design (NSEAD) Award, World Class Schools Accreditation, Eco-Schools Platinum Award**, and our continued success in music and the wider curriculum reflect our commitment to providing every child with a rich, ambitious and inspiring education.

As we celebrate these successes, we also say a fond farewell to our wonderful Year 6 pupils. They have been outstanding ambassadors for Holy Trinity, contributing so much to school life through their kindness, leadership, resilience and enthusiasm. We are incredibly proud of everything they have achieved and wish each and every one of them every happiness and success as they begin the next exciting chapter of their education.

Our Year 6 pupils had a fantastic lunchtime Leavers' BBQ, enjoying time together as they celebrated the end of their primary school journey.

A big thank you to our PTFA, governors and Hards Butchers for working together to make the BBQ happen. We really appreciate your support in giving our Year 6 pupils such a special send-off.

Thank you for your continued support throughout another tremendous year. We hope you enjoy reading about just some of the many exciting opportunities, achievements and memorable moments our children have experienced. Have a wonderful, safe and restful summer break, and we look forward to welcoming everyone back in September.

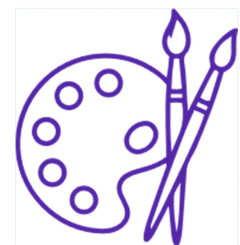

Best wishes

S. Rowe

NSEAD Awards Highly
Commended 2026

This is what was said about the school:

We are delighted to inform you that Holy Trinity School's work was highly commended by the judging panel for this year's NSEAD Awards. While your submission was not selected for the top prize, it distinguished itself within an exceptionally competitive field and demonstrated outstanding dedication, creativity, and achievement.

Our judges were highly impressed by your submission and commented:

This nomination reflects thoughtful and meaningful work at Holy Trinity, with a strong focus on centring underrepresented young artists and linking art to social justice within a primary school context. Cultural Arts Week, demonstrates a valuable commitment to celebrating diverse artists and using their work to inspire pupils' own creative responses.

LIVE TRADITIONAL MUSIC

Multi-instrumentalists Kate Griffin and Ford Collier visited the school. They draw on musical traditions from all over the world in their genre defying brand of global folk music. Initially brought together by a shared love of Indian classical music, their music is also inspired by traditional music from the UK, jazz and soul.
