Mini Kickers is a fun introduction to football for four to six year olds that provides a mix of coaching, skill tests and mini matches during term time.

The course aims to develop a child's footballing ability, balance, coordination and social skills while getting their first taste of structured football.

Our centres provide fantastic, welcoming environments to excite and encourage children, as they take their first step on the football pathway.

RDP coaches have a minimum of FA Level 2 Certificate in Coaching Football and are experienced in working with children of all ages and abilities.
